

**Extension Kewaunee County  
Agriculture Program**

Published by Aerica Bjurstrom [?]  
· March 21, 2019 · 🌐

Kewaunee and Door County Extension agriculture programs have a shared agreement. The Kewaunee County Agent covers dairy and livestock in Door and the Door County Agent covers crops and soils in Kewaunee. Tonight Aerica is in Door County holding a judging and meat evaluation program in Door County for the Quality Meat Animal Sale participants. The kids are trying to identify meat cuts!
