SC WAgN Conference

The 2024 SC Women's Agricultural Network Conference will be held on January 19 and 20, 2024, in Florence, SC. January 19 is Pre-Conference intensives at Pee Dee REC with a Networking Social to follow. January 20 is an all-day educational conference at SiMT - Southeastern Institute of Manufacturing and Technology. Anyone supporting the goals of the Conference is welcome to attend.

Conference Goals:

- To create a space for individuals to cultivate relationships.
- To provide opportunities for participants to connect with leaders in the agriculture community of South Carolina.
- To educate participants on a variety of agricultural topics.

Join us to cultivate connections and grow your knowledge with other females in the agriculture and natural resources fields.
