

## Plan of Work

### Life Members Committee

2024 - 2025

- NACAA Life Member Committee Regional Chairs will establish/maintain contacts with their respective regional state presidents and/or Life Member Representatives. A brief note of introduction is encouraged post AM/PIC.
- Encourage state president/Life Member representative to assist the Executive Director in keeping each state's Life Member list up to date (email, phone and address).
- Life Member Regional Chairs will work with state Life Member representative to gather and maintain names of NACAA members who have passed since last AM/PIC meeting for inclusion in Memorial Service at annual Life Member Business Meeting.
- Prepare and print copies of the "In Remembrance" program and make available at Life Member Hospitality room and ensure an electronic version is made available on the NACAA website.
- Work with NACAA President-elect and Executive Director to help develop sustainable sponsorship of Life Member program at AM/PIC.
- Work with NACAA Executive Director to continue to include articles concerning Life Members in each The County Agent edition. Each region will publish one article/annually.
- Life Member Feature Proposal (see back page)
- Chair will continue to attend the NACAA AM/PIC post board meeting to report on Life Member plans and offer assistance when needed.
- Work with NACAA Vice President and 2024 AM/PIC Life Member committee representative to assure plans for Life Member program at AM/PIC are progressing.
- Encourage state associations to invite their life members to association events and activities. Encourage state associations to pay the \$50.00 Life Membership fee for retirees.

## Life Member Feature for AM/PIC

Life Members continue to serve NACAA and their communities after retirement. The Life Member Feature will show how Life Members continue to serve and be an encouragement to active members to continue their service after retirement.

- Up to 6 slides will be prepared to highlight “continuing service” following retirement. These slides will be presented in a continuous slide show prior to the beginning of General Sessions. The slides will also be presented at the Life Member Business Meeting and at Region Meetings.
- Select one Life Member from each region.
- The feature will rotate among the states in the region. An alphabetical rotation is suggested.
- In the event that a state whose turn it is to provide the feature does not choose to feature a Life Member, the next state in line will be selected.
- Exception to the rotation: the AM/PIC host state will choose the Life Member from that region to feature. (Example: a Montana Life Member will be selected from the Western Region in 2025.)
- Past and current year Hall of Fame recipients are not eligible to be selected.
- There is no attendance requirement for the AM/PIC.
- There is no cash award.
